

Henry David Thoreau

With their call for "Simplicity, simplicity, simplicity!" for self-honesty, and for harmony with nature, the writings of Henry David Thoreau are perhaps the most influential philosophical works in all American literature.

The selections in this volume present a series of useful sabotage techniques, the majority of which can be done with simple household tools such as scissors, empty bottles, screwdrivers, matches, etc. These maneuvers are extremely safe and without risk for those who use them, as they do not require equipment, skill, or specialized activities that can draw attention to the doer.

THE FASHION FIGHTER'S MANUAL

Practical guide to liberating fashion from oppression and misery by paralyzing the fashion industrial complex of the traitorous state of fashion without having to use special tools and with minimal risk for the fashionista.
